

# OSLL на албанском

The screenshot shows a Google Translate interface in a Mozilla Firefox browser. The browser's address bar contains a URL for translating from Russian to Albanian. The page content is the OSLL website, which includes a header with the OSLL logo and a search bar. The main content area is divided into several sections: 'Shtëpia' (Home), 'Mirë se vini në Open Source Linux Lab.' (Welcome to Open Source Linux Lab.), 'Misioni ynë.' (Our mission), 'Kush jemi ne.' (Who we are), 'Çfarë bëjmë.' (What we do), 'Our Sponsors', and 'Projektet e fundit' (Recent projects). The 'Projektet e fundit' section lists several projects with their dates and objectives.
