

# Разработка генератора тестовых наборов на основе формальных описаний для тестовой среды Fitnesse

## Initial definition

Topic	Overview	Areas of interest	Complexity	Amount of research work
fixture code generation	Generate fixture code stubs given a wiki page, where some of the tables don't have corresponding fixtures created. Support for different fixture types. Functionality to automatically identify fixture type when given a just a test table.	code generation, text analysis, (maybe gwt, ui)	Medium	Medium

## Thesis structure

TBD
